SSD: Sessions will be SSD, but the caller may elect to call full Mainstream if no SSD dancers attend.

Workshops: Intensive sessions to focus on calls from "nonstandard" positions and are open to all dancers who have completed the specified program.

Intro Sessions: Provide an introduction to the indicated program and are open to all dancers who are comfortable at the previous program.

DBD (Dance by Definition): The caller uses the standard definition of the call, as defined by Callerlab®. But, the starting formations and each dancer's position may be decidedly different than dancers are used to.

Kaleidoscope: 32 dancers functioning as part of one large square made up of 4 concentric squares.

Popstar Patter: Hi-energy dancing to current pop songs.
